Dear Field Staff,

Thank you for your assistance in working with the counties to get these contracts submitted. As a follow-up, I would ask that you have county officials pay particular attention to the letter and the information we are requesting. In addition to contracts, we have also asked in the letter that counties submit a listing of specific expenditures with the vendors in each contract provided for the previous 3 years, as well as any currently planned future expenditures.

Thank you again for your efforts. If you or the county have questions about this, I will be glad to assist you in whatever way possible.

Sincerely,

Tim Jorczak
